

Weddings with The Garden in Harrington

The Garden in Harrington is your local cut flower farm growing local, in-season flowers right here in Oxford County. Let us plant and grow the flowers for your wedding!

Your wedding is unique to you, and so are your wedding flowers! Our prices are personalized and will be priced to your needs in an a la Carte style, and depend on your chosen style.

Your Wedding Your Way Package

300

Create your own wedding florals!you select the flowers and colours and we provide the buckets of beautiful, locally grown flowers and foliage you have chosen along with all the floral hardware you'll need to DIY and create the wedding floral arrangements you have always dreamed of! Enough flowers to do approximately 1 bridal bouquet, 2 bridesmaids, 3 bouttonnières and some extra flowers for coursages, junior bridesmaids and/or some centerpieces.

DIY Wedding Flower Workshop

175

Do you love the idea of creating your own wedding flowers yourself but feel overwhelmed? Or are you looking for a great wedding party activity? Join us here at The Garden for designer facilitated space and time to create your DIY wedding flower arrangements. Come and design your wedding flowers right here where they grow!

Market Style Wedding

Farm fresh flowers shine in casual market style wedding bouquets! You choose the flowers and colours that suit your wedding, and we'll prepare your wedding floral arrangements with beautiful, local, and fresh-from-our field flowers with a breezy, relaxed and country style flair.
